Subject: Fwd: FW: Hero Honda Chowak Red Light Issue.

Dear Sir,

You may recall our discussions, wherein it was made clear that this is a BOT project under implementation by MCEPL (Concessionaire). Reportedly the EPC contractor of MCEPL has brought the work to a halt for want of payments form the bankers i.e. IDFC Ltd. etc. However it is assured that the overlya on Hero Honda Chowk shall be started on top priority as soon as the work is resumed. MCEPL is being directed to resume the work immediately.

Regards !

Dear Ashok Ji (Project Director,NHAI)

As discussed in our last meeting at your office regarding the issues related to Hero Honda Chowak Red Light working. You had assured us that all the issues like speed breakers, sign boards and repair of side lanes will be completed within 3-4 days. After seven days no work has been started. It shows the working style of NHAI. I again request you please do the need full.

Waiting for a positive reply.

Regards
